Utility Information For New Customers (512)401-5300

Hours: Monday-Friday 8 AM to 5 PM

Changes to Accounts:

Any changes to customer accounts must be made in writing to the Utility Department. They can be sent in via Fax, Email, Mail, or delivered in person at our office. Our fax number is (512)401-5301 and our email address is ub@cedarparktexas.gov

Payments:

There are several options for paying your bill.

- 1) At our **Office** Monday thru Friday from 8 a.m. till 5 p.m.
- 2) At the **Payment Kiosk** with Cash, Check or Credit Card at any time. And you will receive a receipt.
- 3) At our **Night Drop Box** out in our parking lot and those will be posted the next business morning.
- 4) By **Mail** and it will be credited on the day that we receive it.
- 5) By **Phone** with either a Visa or MasterCard. A \$2.00 credit card processing fee will be charged for all payments of \$25.00 or more.
- 6) Thru our **Website** (www.cedarparktexas.gov) with either a Visa or MasterCard. There is no processing fee and it is credited immediately to your account.
- 7) By **Automatic Draft** from a Checking or Savings Account. An authorization form must be completed and sent to us along with a voided check. The form is available in our office or on our website.
- 8) You can also pay thru your Bank's Bill pay.

Billing Cycles:

There are 4 billing cycles in the city:

1. Cycle One - Mailed on the 17th and due by the 2nd.
2. Cycle Two - Mailed on the 24th and due on the 9th.
3. Cycle Three-Mailed on the 1st and due on the 16th.
4. Cycle Four - Mailed on the 8th and due by the 23rd.

Residents cannot change their billing cycles as they are determined by your geographic location. Bills are mailed once per month and are due before 5 pm on the due date. Late payments are subject to a 10% penalty fee. Late cut-off notices are mailed the day following the due dates of all accounts owing a balance. The notice will include a final due date. If payment is not received by this deadline, service will be suspended. A \$50 disconnect fee plus the balance owed must be paid before the service is restored. It is a state felony to turn disconnected water back on.

Deposits:

Residential accounts require a deposit of \$100, or \$50 with an acceptable letter of credit from another Utility Company (Gas, Electric, or Water). This deposit must be paid when the application is submitted. If we receive an acceptable letter within the first 30 days of opening your account a \$50 credit will be applied to your account. The letter of credit can have no more than 2 late payments, no disconnects for non-payment, and be for the last 12 consecutive months.

Refund Policy:

Upon termination of your water service, the deposit on the account is applied to your final bill and any remaining will be sent back to you in the form of a check.

After one full year of service with no more than two late payments and no disconnects for non-payment, you may request that half of your deposit be refunded back to your account. This request must be in writing. The balance of the deposit will remain on your account until your account is closed.

Garbage/Recycling:

Weekly garbage and every other week recycling service will be provided by Cedar Park Disposal for residents inside the city limits and billed on your water bill. Extra garbage cans are available for an additional monthly charge. The weekly trash and recycling schedule is available on our website. Questions or concerns regarding these services should be directed to the city at (512) 401-5678.

Residential Rates:

Water:

The minimum charge for the first 2,000 gallons of water with a 5/8 inch water meter is \$17.77. Volume charges for over 2,000 gallons are as follows:

2001 to 10,000 gallons	- \$3.63 per thousand
10,001 to 15,000 gallons	- \$4.36 per thousand
15,001 gallons plus	- \$5.23 per thousand

Sewer:

Sewer rates are based on the average water readings for December, January, and February on your account. The average is calculated at this time of year because there is less outdoor water usage. Your new sewer rate will appear on your April bill and will remain the same until April of the following year. The minimum charge for a 2,000 gallon winter average is \$21.70. Each additional 1,000 gallons is \$3.99. New residents with no usage in the winter will have their wastewater based on the current citywide winter average or their actual water usage whichever is less, until a winter average has been calculated.

RESIDENTIAL SOLID WASTE SERVICES FOR CEDAR PARK RESIDENTS
